

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
1. IDENTIFICATION OF THE PRODUCT AND COMPANY				
1.1 Product description: SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ				
1.2 Intended uses: Auxiliary products. Only for industrial use.				
1.3 Company: KOPIMASK, S.A. Industria, 28 - P.I. Can Cortés - E-08184 - Palau-Solità i Plegamans (Barcelona) Phone: +34 93 8639350 - Fax: +34 93 8649434 - e-mail: kopimask@kopimask.es				
1.4 Emergency phone number: +34 93 8639350				
2. COMPOSITION/INFORMATION ON INGREDIENTS				
2.1 Chemical description: Benzoenediazonium-4-(phenylamino) polymer (1:1) formaldehyde				
2.2 Ingredients:				
50 < 100 % Resin EC NLP Not classified <input type="checkbox"/> <input type="checkbox"/>				
For more information, see sections 8, 11, 12 and 16.				
3. IDENTIFICATION OF HAZARDS				
3.1 EC classification: This product is not considered dangerous, in accordance with Directive RD.363/1995 (67/548/CEE)				
3.2 Adverse effects: Not applicable.				
4. FIRST AID MEASURES				
 When in doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.				
4.1 By inhalation: Should there be any symptoms, transfer the person affected to the open air.				
4.2 By contact with the skin: Wash thoroughly the affected area with plenty of cold or lukewarm water and neutral soap.				
4.3 By contact with eyes: Rinse eyes copiously by irrigation with plenty of clean, fresh water for at least 15 minutes, holding the eyelids apart, until the irritation is reduced.				
4.4 By ingestion: Call a physician.				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
7. HANDLING AND STORAGE				
7.1 Handling precautions: Comply with the health and safety at work laws.				
- General recommendations: Use in areas free from sources of ignition and away from heat or electrical sources. Do not smoke. Avoid any type of leakage or escape. Keep the container tightly closed.				
- Recommendations for the prevention of fire and explosion risks: Powder can be explosive if mixed with air in critical proportions and in presence of an ignition source. Do not smoke.				
- Recommendations for the prevention of toxicological risks: Do not eat, drink or smoke while handling. After handling, wash hands with soap and water. For exposure controls and personal protection measures, see section 8.				
7.2 Storage conditions: Avoid long term storage at high temperatures. Avoid direct contact with sunlight. Protect from light. Keep container dry.				
- Class of store : According to current legislation.				
- Maximum storage period : 12. months				
- Temperature interval : min: 5. °C, max: 35. °C				
- Conditions to avoid:				
- Heat: Keep away from heat sources as this could give rise to the material thickening.				
- Light: If possible, avoid direct contact with sunlight.				
- Humidity: Avoid extreme humidity conditions.				
- Incompatible materials: Not applicable.				
- Type of packaging: According to current legislation.				
7.3 Specific uses: For the use of this product do not exist particular recommendations apart from that already indicated.				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
5. FIRE-FIGHTING MEASURES				
Not combustible. In the case of fire in the surroundings, all extinguishing agents are allowed.				
6. ACCIDENTAL RELEASE MEASURES				
6.1 Personal precautions: Eliminate possible sources of ignition and when appropriate, ventilate the area. Do not smoke. Avoid direct contact with this product. Avoid breathing dust. For exposure controls and personal protection measures, see section 8.				
6.2 Environmental precautions: Avoid contamination of drains, surface or subterranean water and soil. In the case of large scale spills or when the product contaminates lakes, rivers or sewages, inform the appropriate authorities in accordance with local regulations.				
6.3 Cleaning-up methods: Contain and mop up spills with electrically-protected vacuum cleaner or by wet brushing. Do not use a dry brush as dust clouds or static electricity can be created. Keep the remains in a closed container. For subsequent waste disposal, follow the recommendations in section 13.				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
8. EXPOSURE CONTROLS/PERSONAL PROTECTION 98/24/EC				
8.1 Occupational Exposure Limits TLV AGCIH-2006: Not available.				
8.2 Occupational exposure controls, Directive 89/686/EEC: Provide adequate cleaning. Where reasonably practicable, this should be achieved by the use of local exhaust ventilation and good general extraction. If these measures are not sufficient to maintain concentrations of particles below the Occupational Exposure Limits, suitable respiratory protection must be worn.				
- Protection of respiratory system: Avoid the inhalation of dust.				
- Mask: Advisable.				
- Protection of eyes and face: Install emergency eye baths close to the working area.				
- Goggles: No.				
- Face shield: No.				
- Protection of hands and skin: Install emergency showers close to the working area.				
- Gloves: Protective gloves of a suitable material (EN374). The gloves should be immediately replaced when any sign of degradation is noted.				
- Boots: No.				
- Apron: No.				
- Clothing: Yes.				
8.3 Environmental exposure controls: Avoid any spillage in the environment.				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
9. PHYSICAL AND CHEMICAL PROPERTIES				
<ul style="list-style-type: none"> - Physical state : Powdered solid. - Colour : Yellow. - Odour : Odourless. - pH : 1.2 at 20°C - Specific gravity : 1.15 g/cc at 20°C - Solubility in water : Soluble - Flash point : Not combustible. <p>For additional information concerning physical and chemical properties related to safety and environment, see sections 7 and 12.</p>				
10. STABILITY AND REACTIVITY				
10.1 Conditions to avoid: Stable under recommended storage and handling conditions.				
10.2 Materials to avoid: No dangerous reactions are known.				
10.3 Thermal decomposition: No product of decomposition is dangerous if stored and handled properly.				
11. TOXICOLOGICAL INFORMATION				
11.1 Toxicological effects: Not available				
11.2 Dose and lethal concentrations : Not available				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
12. ECOLOGICAL INFORMATION				
12.1 Spills on the soil: Prevent contamination of soil.				
12.2 Spills in water: Do not allow to escape into drains, sewers or water courses. - Bioaccumulative potential: Due to its high water solubility, it is not foreseeable that this material will bioaccumulate.				
12.3 Emissions to the atmosphere: Avoid the formation of dust.				
12.4 Ecotoxicological data : Not available				
13. CONSIDERATIONS FOR DISPOSAL				
13.1 Handling of waste, Directive 75/442/EEC~91/156/EC: Take all necessary measures to prevent the production of waste whenever possible. Analyse possible methods for revaluation or recycling. Do not discharge into drains or the environment, dispose of at an authorised waste collection point. Waste should be handled and disposed of in accordance with current local and national regulations. For exposure controls and personal protection measures, see section 8.				
13.2 Disposal of empty containers, Directive 94/62/EC: Emptied containers and packaging should be disposed of in accordance with currently local and national regulations.				
13.3 Procedures for neutralising or destroying the product: Authorised landfill in accordance with local regulations.				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
14. TRANSPORT INFORMATION				
14.1 Transport by road, Directive 94/55/EC (ADR 2007): Transport by rail, Directive 96/49/EC (RID 2007): : Free				
14.2 Transport by sea (IMDG 33-06): : Free				
14.3 Transport by air (ICAO/IATA 2007): : Free				
15. INFORMATION ON REGULATIONS				
15.1 EC Labelling:				
			This product does not require pictograms, in accordance with Directive RD.363/1995 (67/548/CEE)	
- Dangerous ingredients: None.				
15.2 Restrictions to the marketing and use in accordance with Directive 76/769/EEC: Not applicable.				
15.3 Other EC regulations: Not applicable				
15.4 Other regulations: Not available				

	SENSIBILIZADOR DIAZOICO Code: SENSI DIAZ			
16. OTHER INFORMATION				
Material Safety Data Sheet regulations: Material Safety Data Sheet in accordance with Directive 91/155/EEC~2001/58/EC.				
History: Revision date: Date of issue:				
Version: 4 31/05/2007 29/11/2007				
<p>The information of this Material Safety Data Sheet, is based on the present state of knowledge and on current UE and national laws, as the users' working conditions are beyond our knowledge and control. The product is not to be used for other purposes than those specified, without first obtaining written handling instruction. It is always the responsibility of the user to take all necessary steps in order to fulfil the demand laid down in the local rules and legislation. The information in this Material Safety Data Sheet is meant as a description of the safety requirements of the product and it is not to be considered as a guarantee of the product's properties.</p>
